

Disclaimer for FundsXML version of the Tripartite Template (Solvency II):

FundsXML.org has developed a specific FundsXML version of the Tripartite Template (TPT) which had been published on October 13th, 2015. Against the background of this publicly released version of the TPT (version 3.0), the corresponding FundsXML version has to be considered as a solid working version which may be subject to change. FundsXML.org will make any amendments to this version public on its website and attempts to incorporate all material changes to this template due to regulatory requirements and interpretations in the future.
